

Issues in Modern Federalism

*Those Anti-Federalists
Just Won't Give Up*

Federal

vs.

State

- Poor (or irresponsible) states may not take care of problems
 - Ability to level playing field between states with grants
 - States should be at least partly responsible for helping their own people
- Laboratories for policy experiments
 - One size doesn't fit all -- states know what their people need
 - Underfunded mandates from national government are unwelcome
