

AP GOVERNMENT POLITICAL PARTY PROJECT

In groups of no more than 4 you will create a political party. Your group will need to address key components related to the views and structure of a political party. You must get approval of your issues, stances, name, logo, slogan...before moving forward on your project. This is a scholarly endeavor NOT a project to see how much you can get away with.

Party Platforms: Identify the key issues and your parties view on each issue. You must have a view/stance on at least one economic, at least one social issue and at least one foreign issue. You will need to address a total of 4 issues. *EX- National Defense, Education, Health Care*

Party Supporters-Individuals: identify the demographic characteristics of your party's supporters, explain why they would support your party. You will need to have at least 5 demographic features. *EX- Age, Gender, Religion*

Party Supporters-Interest Groups: provide the website for the organization, explain why they would support your party. You will need to have at least 3 specific interest groups and identify what type of organization they are. *EX- NRA=Single issue group*

Party Supporters- You need one endorsement by a celebrity or well respected individual, explain why they would support your party. *EX- Neil Armstrong/space science initiatives*

Ballot Access- For a state, which I will assign to your group, you will need to explain the requirements for your party to gain access to a General Election ballot.

Political Spectrum (Party): locate your political party on the spectrum relative to the Democratic, Republican, Libertarian and Green Parties, explain why your party is located where you say it is.
