

US/AZ Government Media Project

Purpose:

The student will research the impact of the media. The student will also examine the role the media plays in determining and shaping public opinion and policy.

Materials:

Internet
Library
Word Processing

Vocabulary:

Media
Liberal
Conservative

Procedure:

Student will find four magazines or newspapers from each political side. This will make a total of eight sources.

The student will create a reference page for the project. Use APA style for your citations. For help with your citations go to the following web site: <http://citationmachine.net/index.php>

From the group of four, the student will write a review on four articles, one from each source. The reviews need to be at least a paragraph in length. The review should also include personal opinion on the article.

The student will select one topic and find an article from a liberal source and a conservative source. The student will create a Venn diagram of the two articles. Use Inspiration.

Product:

The final product will be in Word form. The project needs to include all the information that is above in the procedure section, failure to do so will result in a lower grade.
